OUR STUDENTS SHINE BRIGHT.

THE STORIES OF OUR STUDENTS tell the story of the university.

Each student's experience at MVNU is different. Some are on a sports team; some are in the choir. Some are majoring in science; some in business. Some come from far away; some come from down the road. But the community is richer, and brighter, at MVNU because of each individual story.

“My professors have had such a significant impact on my college experience in so many ways. One of the reasons I chose to attend MVNU was the small class sizes — the one-on-one help and going beyond expectations to cater to the needs of students is unlike most others.”

JAYLYNN ANASCO ('22)

Major: Biochemistry

First Generation College Student

Campus Involvement: Music ensembles, competitive cheerleader, Chemistry Club president

“My baseball coach has had a huge impact on my life in many ways! He shows all of the team members God's love through the things he does with us here on campus and has shown me that I can have a heart for God, even while still playing my sport of baseball!”

LOGAN HINES ('24)

Major: Youth and Family Ministry

Campus Involvement: Baseball team, Athletes in Action, Campus Ministries worker, Student Mentor

“Reflecting on my time at MVNU, I've embraced a path of discovery and perseverance. College brought me both moments of genuine happiness and valuable challenges, all of which have played a significant role in shaping who I am today.”

JENSON THOMPSON ('23)

Major: Finance

Campus Involvement: Student Body President, Honors Program
