EAST CENTRAL USA FIELD NAZARENE YOUTH INTERNATIONAL

Nazarene Youth International is an auxiliary organization of the Church of the Nazarene created to further effective ministry to and through youth as an essential part of the mission of the church at every level (local, district, field, and international). NYI provides a vehicle through which youth and leadership may creatively facilitate and support spiritual and numerical growth in this vital area of ministry, with a sense of ownership and empowerment.

The East Central USA Field NYI, consisting of local church and district NYI groups in Ohio, West Virginia, and Eastern Kentucky, exists to resource and assist local churches and districts on the field in ministry to youth and their families, to support and provide input to the USA/Canada Committee as well as the Global NYI, and to provide additional ministries and programs possible through the combined effort and common fellowship of the field. These ministries and programs shall contribute to:

- furthering the life of holiness;
- building young people of integrity;
- encouraging fellowship among Christian youth;
- evangelizing our world;
- training youth for service;
- strengthening the relationship with our field Nazarene institution of higher education, Mount Vernon Nazarene University, and encouraging youth to select MVNU as their college choice.

All field NYI events and programs shall have at least one or several of these objectives for which time, energy, and money in our ministry to youth and their families are expended.

The East Central USA Field NYI embraces the purpose of Nazarene Youth International: “To lead youth into a relationship with Jesus Christ as their Savior and Lord, and establish them as His disciples, characterized by a life of holiness expressed through devotion, worship, fellowship, stewardship, and witness.”

The East Central USA Field NYI Council is made up of the following *ex officio members*: Field NYI Chair, District NYI Presidents of the eight districts (Northwestern Ohio, North Central Ohio, South Central Ohio, Southwestern Ohio, East Ohio, West Virginia North, West Virginia South, Eastern Kentucky), the MVNU NYI Liaison; and the following *ministry directors/coordinators*: Training, Bible Quizzing, Clergy Kids Retreat, **BLAST**, Encuentro Trip. The council meets 3-4 times annually.

***BLAST* STATEMENT OF PHILOSOPHY AND PURPOSE**

Building Leaders and Sharing Talents (*BLAST*) is an event through which talents and leadership skills of youth are developed, encouraged, and used for Jesus Christ. The process begins in a local church setting, where youth are encouraged in their special gifts and abilities, continues through district ***BLAST*** events, and extends to the field event held each year at MVNU. ***BLAST*** is more than an annual field event; it's a year-long emphasis on talent/leadership development at every level.

Throughout the New Testament, we find evidence that special abilities are given to each believer through the grace of God to serve the body of Christ and reach out to unbelievers. These gifts and talents are to be cultivated and used to build God's kingdom. Teenagers often find themselves in a "tug-of-war" because the world also wants their talents. The church must be diligent to provide opportunities for development and use of talents that challenge youth to reach their full potential, realizing that when they do *in Christ*, the reward has eternal significance that the world cannot offer.

Personal development is an important part of ***BLAST***, yet for who we can be for Christ, not for personal gain. Our talents are an indication of His grace, not our own "special-ness" (Romans 12:3) and are designed to help us serve Him and others. They unify us and help both us and those we serve to mature in the faith. God expects us to develop our talents and gifts so that we become the best we can be, with His power flowing through us. There is no room in His kingdom for half-heartedness in the cloak of false humility; we must reach for the stars, knowing the One who made them!

Training for leadership is a second vital aspect. In preparation through discipline and effort, in using their talents publicly, and in working with others in group or team settings, a teenager develops leadership skills that can be channeled in a variety of ways both in the present and the future. Their presentation may not always be great by certain standards, but what happens inside of them as they use their talents is! Whether it's singing, public speaking, creative arts, math, preaching, Bible quizzing, or team/individual sports, they develop leadership abilities which "plug in" to the church for years to come.

Competition is part of the ***BLAST*** experience, but within a Christian understanding. When Christians compete, they compete against what they know they can do. When I achieve my best, I am a winner. Competing helps me work harder than I might on my own. A Christian attitude toward competitors should be one of companionship and gratitude, helping each other become better. If my competitor wins the award, I rejoice as part of his or her victory, having helped perform at a higher level; if I receive it, I feel the same about him or her.

Awards provide secondary motivation to work hard; of primary importance is knowing we improve, and others achieve more when we have participated. Since Christ is the source of all talent, we rejoice in him for what everyone accomplishes. Even those who fail to receive an award can rest assured that God will use them where their unique talents can best function, rather than become bitter because someone else may have more talent recognized in a certain area. As youth leaders, it is extremely important that we help teenagers understand the Christian view of competition; since we cannot shield them from it in life, we must help them live as Jesus would during it.

SECTION 1: RULES AND PROCEDURES

BLAST GENERAL RULES AND PROCEDURES

1. Participation in ***BLAST*** is open to youth involved in NYI in a local church on a district of the East Central USA Field. Local churches and district NYI's are free to set their own minimum standards for participation at their level.
2. Field ***BLAST*** 2024 is June 5-8, on the campus of Mount Vernon Nazarene University, Mount Vernon, Ohio. The event is sponsored by the East Central Field NYI, in cooperation with Mount Vernon Nazarene University. Rev. Drew Aaron, Field NYI Chair, oversees the ***BLAST*** Leadership Team.
3. Field ***BLAST*** is open to students enrolled in grades 6-12 during the school year ending immediately prior to the time of Field ***BLAST***. Each district is allowed up to five participants in each category of competition, unless otherwise specified in the rules for that event. Ties for any of the five places must be broken before field ***BLAST*** by the district to abide by the five-entry rule.
4. Teen Bible quizzing is an important part of the overall ***BLAST*** program on every district. Because of the high demand on Bible quizzers during their tournaments, and so that Bible quizzers are also free to participate in other areas of talent and sports, the Field Bible Quiz Finals Tournament is held at a time other than the Field ***BLAST*** weekend. Field Bible quizzing is conducted according to the current rules for NYI Bible quizzing. For more information, contact your district Bible Quiz Director.
5. If any participant in a group/team is a high schooler, the group/team must enter the high school category. Categories not differentiating middle and high school involve participants of both age groups together.
6. Students do not have to have participated in and qualified through a district ***BLAST*** event to compete in the same Field ***BLAST*** event. Although, entrants must still register through their district. There are many 'just-for-fun' activities at Field ***BLAST*** participants can jump into without registering.
7. No individual may be part of more than one entry within the same division of any category. This applies to both district and field levels.
8. To provide for maximum participation and prevent over-scheduling, individuals may enter competition in no more than three Christian communication categories at the field event. Should a student want to participate in more than three, he/she must choose among them to stay within the maximum number. Events cannot be delayed/altered for individual conflicts.
9. For competition purposes, "Middle School" is defined as students in grades 6-8 during the school year preceding field ***BLAST***, and "High School" is defined as students in grades 9-12 during the school year preceding field ***BLAST***. Categories which do not indicate an age level are open to all grades 6-12.
10. The various categories and rules of competition provided for at Field ***BLAST*** are included in this handbook. If district rules in any category differ from the stated field rules for that category, those who participate must conform to the field rules at the field ***BLAST*** event. New events may be added or present events deleted by majority vote of the Field NYI Council, and included/removed the year following approval.
11. Field ***BLAST*** participants and groups are to perform/submit the same piece/entry judged at district ***BLAST*** if their district has a ***BLAST***. Participants and groups are not to perform/submit the same piece/entry they entered in a previous year at Regional ***BLAST***.
12. Field ***BLAST*** is a total experience, including evening services, workshops, and special emphases throughout the event, along with the competition. Participants should plan to arrive on Thursday, attend the entire event, are encouraged to be involved in all aspects of the event, and must attend all evening services/concerts and activities. A tentative schedule will be available to participants prior to the field event at blast.mvnu.edu, yet specific times may be altered, and changes announced at the event.

13. Local and district NYI leaders are responsible for the close supervision of participants while on the MVNU campus and at any off-campus lodging. One adult leader is required for every six (1/6) teenagers. Districts and local churches must work together to see that this ratio is provided for. Dress and behavior on campus are to be in harmony with the Lifestyle Guidelines of Mount Vernon Nazarene University. Insurance coverage for all students and adult leaders shall be provided through personal and district policies; no liability is assumed by the East Central USA Field NYI Council or MVNU.
14. There is a competition between districts for an overall district grand winner. The winner is announced near the end of the closing celebration. This friendly competition is simply to add to the fun and excitement of **BLAST**. There are points for top scores in each division of each category.

***BLAST* RULES FOR CONDUCT AND DRESS**

1. Students and adults are expected to conduct themselves in a manner exemplary of followers of Jesus Christ and consistent with standards of the Church of the Nazarene.
2. No alcohol, illegal or abusive drugs, or tobacco in any form are allowed on the campus of Mount Vernon Nazarene University. Firearms, fireworks, or explosives are also outlawed. Vulgar, foul, or profane language will not be tolerated. Pornographic or obscene materials are not allowed on campus.
3. Anyone who exhibits disruptive or violent conduct which poses a threat to the well-being of themselves or another person will be disciplined. This includes both malicious (fighting, cursing, etc.) or mischievous (throwing water, food, shaving cream, etc.) behavior. Skateboards, roller-blades, and scooters are only allowed at designated venues, due to risk of injury.
4. Though casual wear is appropriate for most ***BLAST*** activities, Christian modesty must be observed in any public area. Shorts should be of modest length and fit. Tank-tops or similar sleeveless-style athletic tops are appropriate only for athletic participation, taking due care for modesty. Spandex shorts are currently permitted for volleyball, but are not to be worn outside of the gym. Shirts and shoes are to be worn at all times. The wearing of any item of clothing bearing emblems or messages in conflict with Christian moral standards is not allowed.
5. Students are to stay out of housing areas of the opposite sex at all times.
6. Extra care must be taken to keep the housing areas clean and orderly. Mischief of any kind is not permitted. Adult leaders are responsible to assist in keeping housing areas clear and clean. Christian consideration and conduct must also be observed by those staying in motels. Curfew of 12:00 midnight on Thursday and Friday must be observed.
7. Christian judgment and good taste must be observed in regard to public display of affection. Inappropriate behavior in this area impacts others, reflects negatively on the character of those involved, and creates an inclination toward immorality. Teens and adults can help guide others into appropriate behavior, both public and private, with the opposite sex.
8. No participant should leave campus without express permission and knowledge of a supervising adult leader from their church or district.
9. Booing, “baiting”, or applauding failure is inconsistent with a Christian understanding of love and friendly competition. We encourage all students to cheer for all teams and show respect, cooperation, and gratitude for all teams or individuals.
10. Attendance is required at all services. All campus housing will be cleared and locked during services. Doors will be opened for students when an adult leader is present.
11. All campus staff, field NYI, ***BLAST*** personnel, and adult leaders from all districts are to be respected and cooperated with in all situations.

Significant Updates, Changes, and Clarifications for BLAST 2024

*We have added another day to Field BLAST. We are now starting Wednesday night and going through Saturday afternoon. There will be an exciting kick off time followed by a Field wide game on Wednesday night. Competition will start on Thursday.

*Check in will be Wednesday, June 5th starting at 7:00PM. If you are unable to arrive on June 5th we will have another check in on Thursday, June 6th starting at 9:00AM.

*We have added multiple opportunities for Spiritual development throughout the event (morning prayer, devotionals, extra workshop timeslot, bonfire worship).

*We have included multiple opportunities for adult leaders/volunteers to network and encourage each other throughout the event. Please see the schedule for these opportunities.

*Team Bowling is no longer a category at Field BLAST due to expenses and low participation. This category was introduced two years ago as a test and after two years we have decided to remove the category. If you or someone you know is passionate about bowling, please contact Johnny Mohnasky about possibilities for the future.

*The soccer, volleyball and basketball championships will be the only events going on at the time so EVERYONE can attend. The purpose is create some district bonding time and have a time besides the services where everyone is together.

Reminder of Significant Updates, Changes, and Clarifications for BLAST 2023

*Participation in a district BLAST is not required to participate in Field BLAST competition. Each district may send 5 entries per event, as determined by the district.

*The Sign Language competition category is now included in the Variety category. If a student wants to participate in Sign Language, they should sign up for Variety.

Reminder of Significant Updates, Changes, and Clarifications for BLAST 2022

* For Preaching, a minimum length for the sermon/message has been added. It is 4 minutes. Maximum length is still 10 minutes.

* For Photography, participants will need to list type of camera and technology used on the description card.

Reminder of Significant Updates, Changes, and Clarifications for BLAST 2019

* New "Variety" category! For talent that doesn't fit any other category or some fun unique talents. Spread the word. See pages 33-34 for examples.

* Preaching must be at least 4 minutes. If under 4 minutes, there will be a 5 point deduction.

* Entries must compete in their correct division. (Example: If a band has no high school student, it must compete in middle school).

* If groups fall below minimum number between District & Field, they still compete in the same category. They cannot switch categories. (Example: A 12-person vocal choir has 4 students who cannot attend Field BLAST. Those 8 still compete as a choir - not an ensemble).

* Impact Team has been retired as a category.

* Adult event volunteers must be at least 12 months beyond high school graduation. (Previously age 21 or older)

***BLAST* COMPETITION RULES AND PROCEDURES**

CHRISTIAN COMMUNICATION:

Vocal Music: middle school male vocal solo / middle school female vocal solo / middle school vocal duet / high school male vocal solo / high school female vocal solo / high school vocal duet / vocal ensemble (3-9) / vocal choir (10+) / middle school praise band (2+) / high school praise band (2+) / middle school Christian band: original performance (2+) / high school Christian band: original performance (2+).

At the field level, individuals are limited to participation in three Christian Communication categories (Vocal Music, Instrumental Music, Creative Ministries).

Vocal entries must bring glory to God.

Vocal music must be memorized.

Recorded accompaniment tracks without vocal background are permissible for vocal competition. Three (3) copies (no originals) of lyrics with music must be provided. Copies will be destroyed and not returned.

Time limit for vocal music categories = 5 minutes. In all Christian Communication categories, time begins as soon as music, speaking, or movement begins and counts towards the time-limit for that category (examples: narration leading into a choir song, scripture reading prior to a praise band song, human video marching in). This does not include re-arranging the space, prop placement, or instrument set-up for categories such as Drama, Praise Band, Human Video, etc. Two minutes are permitted for set up.

A Rap that is strictly Rap will not be judged at field level in the Vocal categories due to the judging criteria, which includes elements such as accuracy of pitch, correct rhythms, intervals, etc. If a vocal melodic song contains some rap, that is acceptable. We encourage those wanting to Rap to consider the Variety category (see pages 33-34).

Praise Band may include two or more participants, using a combination of vocals and live instrumentation. Accompaniment tracks are not permitted. Three copies of music or chord charts and vocals/lyrics are to be provided for judges. Keyboard and drums will be provided at the field level. All other instruments must be brought by the participants. Instrument sound level checks must be scheduled and completed during the break prior to the category. Entries will be evaluated for both vocals and live instrumentation. Entries should be the type of song used in a worship setting.

Christian Band: Original Performance may include two or more participants, using a combination of vocals and live instrumentation. Accompaniment tracks are not permitted. Three copies of music or chord charts and vocals/lyrics are to be provided for judges. Keyboard and drums will be provided at the field level. All other instruments must be brought by the participants. Instrument sound level checks must be scheduled and completed during the break prior to the category. Entries will be evaluated for vocals, live instrumentation, and content. All entries should represent Christian values, be spiritually sound, and glorify Jesus Christ. Bands will not be permitted to perform non-original music; however music does not have to be written by a band member (it could be written by a parent, friend, pastor...). Failure to perform original music will disqualify participants from achieving a score, and field ***BLAST*** eligibility.

Each district is allowed five participants in each division of each Christian Communications category at Field ***BLAST***.

Participants will be evaluated by MVNU faculty/students, NYI personnel, and/or other qualified judges.

***BLAST* COMPETITION RULES AND PROCEDURES**

CHRISTIAN COMMUNICATION:

Instrumental Music: middle school piano solo / high school piano solo / middle school instrumental solo / high school instrumental solo / middle school instrumental solo original performance / high school instrumental solo original performance / middle school instrumental ensemble (2+) / high school ensemble instrumental (2+).

Individuals are limited to participation in three Christian Communication categories (Vocal Music, Instrumental Music, Creative Ministries) at the field level.

Entries may be religious in nature or classical selections.

Three copies (no originals) of the music/score are required for judges. These copies need to be clean, with measures numbered. Copies will be destroyed and not returned.

Recorded accompaniment is permissible for instrumental and piano competitions; however, background accompaniment should not contain the same instrument being played.

Time limit for instrumental music categories = 5 minutes. In all Christian Communication categories, time begins as soon as music, speaking, or movement begins and counts towards the time-limit for that category (examples: narration leading into a choir song, scripture reading prior to a praise band song, human video marching in from the rear of the room). This does not include re-arranging the space, prop placement, or instrument set-up for categories such as Drama, Praise Band, Human Video, etc. Two minutes are permitted for set up.

Piano music must be memorized. Other instrumental music does not have to be memorized.

Instrumental Solo Original Performance allows for a more free-spirit style of music (jazz, etc.). Individuals will not be permitted to perform non-original music - however, music does not have to be written by the soloist; it could be from a parent, friend, pastor, etc. Failure to perform original music will exempt the participant from achieving a score and award.

Instrumental Ensemble may include any number of participants (2+) using a combination of live instrumentation. Accompaniment tracks are not permitted for Instrumental Ensemble.

Piano and drums will be provided at the field event. All other instruments must be brought by the participant. If instrument sound level checks are desired, they are to be scheduled and completed during the break prior to the category. Entries will be evaluated for live instrumentation and content.

All entries should represent Christian values, be spiritually sound, and glorify Jesus Christ.

Each district is allowed five participants in each Christian Communications category at Field ***BLAST***. Ties for fifth on the district level **must** be broken, as only five entries are permitted per category per district at the field level.

Participants will be evaluated by MVNU faculty/students, NYI personnel, and/or other qualified judges.

BLAST COMPETITION RULES AND PROCEDURES

CHRISTIAN COMMUNICATION:

Creative Ministries: middle school puppets / high school puppets / middle school drama / high school drama / middle school human video / high school human video / middle school choreographed worship / high school choreographed worship / middle school preaching / high school preaching.

Individuals are limited to participation in three Christian Communication categories (Vocal Music, Instrumental Music, Creative Ministries) at the field level.

We strongly encourage **Mime** to be entered in the Variety category (see pages 33-34). If that is not chosen, it is to be entered in Human Video if any sound or music is used, or Drama if no sound or music is used. **Sign Language** is also to be entered in Variety.

Entries must be glorifying to God and contain Christian content.

Time limits: Human Video & Drama categories = 8 minutes; Puppets = 10 minutes. Preaching = a minimum of 4 minutes and maximum of 10 minutes. Choreographed Worship = 5 minutes. In all Christian Communication categories, time begins as soon as music, speaking, or movement begins and counts towards the time-limit for that category (examples: narration leading into a choir song, scripture reading prior to a praise band song, human video marching in from the rear of the room). This does not include re-arranging the space, prop placement, or instrument set-up for categories such as Drama, Praise Band, Human Video, etc. Two minutes are permitted for set up.

Choreographed Worship involves dance movement as an *expression of worship* to music. Participation is limited to the performance of lyrics/music/themes that are Christ-honoring, and must not exceed 5 minutes. Time will begin at the beginning of movement or music. Pre-recorded music is encouraged. If live music is used, it must be able to be set up in within two minutes, instruments must be provided by those playing, and there is no guarantee that microphones or amplification will be available. Choreography, costumes, makeup, and props should in no way be dishonoring to Christ (i.e. be suggestive, vulgar, revealing, etc.). Any props must be hand-held only (i.e. scarves, hats, ribbons, etc.). No other stage props are permitted.

Puppets consist of a presentation of a published or original scripted piece by a group of two or more persons. Voices may be done live or on tape. Puppets and props must be brought by participants. A puppet stage will be provided at the field event, and must be used by all groups. All entries must be of a Christian nature and in accordance with the teachings of the Church of the Nazarene. Three copies of the script must be presented to the judges. (Note: this category does not include ventriloquism.).

Preaching is defined as the presentation of an original message from a Biblical passage of the entrant's choice. The exposition is to contain an introduction and conclusion. The points of the sermon arise from and explain the meaning of the passage itself, then give contemporary application. Outlines are to be original. All sources used must be credited. Notes may be used during presentation. All entries must be in accordance with the teachings of the Church of the Nazarene. Three copies of the manuscript or outline must be submitted to judges before the presentation.

Drama involves a presentation of a skit, short drama, speech, reading, or cutting from a play. Drama is distinguished by actors taking on a character, even if there is only one character in the play. Drama has a plot, a scene, and often dialog. Drama can show a Christian principle in action. The Material must be memorized. Limited staging, costumes, and props may be used, but must be provided by the participants, and be on hand and able to be set up quickly at the time of competition (two minute limit on set up). All entries must be of a Christian nature and in accordance with the teachings of the Church of the Nazarene. Three copies of the piece performed must be presented to the judges prior to performance.

Human video involves the silent *theatrical dramatization* by a group or individual of a recorded musical selection performed by a recording artist. The acting and movements should be based on and convey the intended message of the piece. Limited staging, costumes, and props may be used, but must be provided by the entrants, and be on hand and able to be set up and taken down within two minutes at the time of competition. Three typed copies of the words of the song performed must be presented to the judges prior to performance. All entries must be of a Christian nature and in accordance with the teachings of the Church of the Nazarene.

Each district is allowed five entries in each Christian Communications category at Field ***BLAST***. Ties for fifth on the district level **must** be broken, as only five entries are permitted per category per district at the field level.

Participants will be evaluated by a combination of MVNU faculty/students, NYI personnel, and/or other qualified judges.

BLAST COMPETITION RULES AND PROCEDURES

Some examples of potential talents that might fit here:

Mime

Martial Arts Demo

Illusions

Ventriloquism

Rope Jumping

This is **not** an exclusive list - only ideas of what could fit.

You might think "America's Got Talent" type of entries ... or ... talent you would like to see become a normal category if there were enough entries.

Criteria:

- * It does not go against Christian values in any way
- * Setup needs to be minimal
- * It is a performance-type talent

If there are a significant number of entries of any singular type of talent, that talent will be considered for possible addition as a normal category for future years.

Each district may, or may not, offer this category at their district **BLAST** event.

Participants must register ahead of time just as they do for all other categories.

RULES:

Opponents stand on opposite sides of the court. The player who delivers the ball to start the point is called the server. The player who stands opposite and cross-court from the server is the receiver. The right to serve, receive, choose your side, or give the opponent these choices is decided by a toss of a coin or racquet. If the choice of service or receiver is chosen, the opponent chooses which side to start.

The server shall stand behind the baseline on the deuce court within the boundaries of the singles court when playing singles and within the doubles sideline when playing doubles. See court dimensions. All even points are played from the deuce court and odd number points played from the advantage court. The server shall not serve

until the receiver is ready. Serves are made from the deuce court to the opponent's service box on the deuce court. Advantage court to advantage box. If the server misses his target twice, he loses the point. If the ball hits the net and goes in the correct service box, another serve is granted. If the server steps on the baseline before contact is made, the serve is deemed a fault.

The receiver can stand where he likes but must let the ball bounce in the service box. If the ball does not land in the service box, it is deemed a fault and a second serve is given. If the ball is hit by the opponent before the served ball bounces, the server wins the point.

A game consists of a sequence of points played with the same player serving, and is won by the first player to win at least four points by two points or more over their opponent. The server's score is always called first and the receiver's score second. Score calling is unique to the sport of tennis in that each point has a corresponding call that is synonymous with that point value: "Love, 15, 30, 40, Game". Scoring terms are as follows for each game for each player: No points="love", 1st point="15", 2nd point="30", 3rd point="40". 4th point="game". A tie score of 40-40 is known as "deuce". The game continues until one player wins by two points. "Advantage-In" means the server has a chance to win the game on the next point. "Advantage-Out" means the receiver has a chance to win the game on the next point. All ties from 40-40 until someone wins the game are "deuce".

If the ball goes into the net, or outside the boundaries of the court, the player who hit that ball loses the point. If the ball hits the net during the point and goes into the opponent's court, the ball is in play. A player loses the point if he touches the net, drops his racquet while hitting the ball, bounces the ball over the net, hits a part of the surroundings such as the roof, or a tree, the ball touches him or his partner, he deliberately tries to distract the opponent. A ball that lands on the line is good.

A replay is called during the point if a ball rolls on the court or there is a distraction from someone besides the players on the court.

(*) Players alternate serving each game. We will not use sets. Until the championship match, the first player to win a specified number of games (likely between 6-8) wins the match.

(*) For championship matches, the champion will be the first to win 10 games. If the match reaches a tie of 9 games each, the match will continue until the champion wins by 2 games.

() Format is subject to change based on number of participants, scheduling, space available, etc.*

5K RUN:

5K Run competition will include the following categories: middle school male 5K run / middle school female 5K run / high school male 5K run / high school female 5K run.

The 5K Run is an open category at Field **BLAST** - participants do not have to qualify at the district level, however, to participate at the field level, participants must register as a participant in 5K.

The 5K Run organizational meeting at Field **BLAST** is held at the MVNU Baseball Field by the Prince Student Union, on the campus of MVNU, 10 minutes prior to race time. The race will start at the baseball field and run a course on Cougar Drive and the Kokosing trail. It is an out and back course.

BASKETBALL HOT SHOT:

Basketball Hot Shot competition will include these categories: middle school men's hot shot / middle school women's hot shot / high school men's hot shot / high school women's hot shot.

Each participant will have two minutes (120 seconds) to score a maximum number of points from spots marked on the court, beginning at the top of the key. There is a limit of three successful 1-point shots (lay-ups). Other shots may be repeated as often as desired. No dunks. Points are added in this manner:

Lay-up = 1 point (*max of 3*)

Side shot = 2 points (*10 feet directly to the side of the basket. On paper, if drawing a straight line between both 2-point shots it would go through the center of the hoop. NOT a shot from 'the block'.*)

Foul line extended = 3 points (*one foot extended on each side of the foul line*)

Top of the key = 5 points. (*not necessarily a "3-pointer". All gyms are not uniform with 3-point lines*)

Shooters must have both feet behind the marked spot when the ball is released. Shots released at the buzzer are counted.

Shooters must retrieve their own rebounds, with no assistance from bystanders.

(*) The competition will require each participant to shoot three rounds. The average point total of the three rounds will be the final score. It is recommended (not required) that each shooter do their 3 rounds at the same time and not risk missing a round, which would cause disqualification.

The judgment of the officials is final, and each participant will be expected to cooperate.

Each district is allowed five participants in each hot shot category at Field **BLAST**. No substitutions are allowed in hot shot.

(*) *This format is subject to change based on scheduling, space available, etc. Also, districts may choose another format for their district event.*

***BLAST* ADULT LEADER JOB DESCRIPTION**

BLAST is sponsored by the East Central USA Field Nazarene Youth International (districts within Ohio, West Virginia, and Eastern Kentucky). The event is hosted by the Office of Admissions at Mount Vernon Nazarene University, and various campus personnel provide assistance and support for the activities and programs. Yet final responsibility for the rules, policies, and procedures of ***BLAST*** belongs to the NYI – which you represent.

Much like a youth camp or district retreat relies on the NYI adult leadership, the success of ***BLAST*** depends on you. As district leaders, we must all come to the event recognizing we are responsible to make it run smoothly and to address problems that arise as we would if they happened in our home church. Often we attend college-sponsored events and rely on the college to make everything work well and everyone happy. However, ***BLAST*** is an NYI event that just happens to be on campus. MVNU is relying on us as adult leaders to keep our teens involved, content, and abiding by all campus and NYI guidelines. This involves:

1. Supervision of all students is the sole responsibility of the districts and local churches involved. While teens are on campus, please work to make sure they observe campus rules and exhibit appropriate mature Christian behavior.
2. Adult leaders are responsible for conduct in the residence halls and hotels. Curfew must be enforced. Students are not to hang out in their rooms during the day. Adults should check by on a regular basis to ensure students are out of housing areas. Guys and girls are never to be in each other's housing areas. Please do not leave campus for an extended amount of time, leaving us short-handed in supervision.
3. Leaders may be involved as coaches or district leaders in competition areas, making sure participants know their performance or game time, encouraging them as they compete, and being there for prayer and support. Leaders may also have specific responsibilities with the event, but cannot serve as field Adult Volunteers (since these will be involved in other ways).
4. Adult leaders should take responsibility for ALL students at ***BLAST***, not just those from your own district or church. In other words, if you see anything needing attention or correction, please involve yourself in the situation – whether it involves those from your church/district or not. We asking that you provide a sense of security and supervision for student participants and guests. We want this to be a pleasant experience for everyone, and know the continual presence of adult leaders provides both friendship and guidance during the event.
5. Be prepared to counsel, pray with, or lead students to Christ at any time. Many who attend will not know Jesus; others may be struggling. Leaders are the key. Also, be ready to counsel with teens in the “heat of competition”. Some will be learning for the first time how a Christian responds differently to competition than what they see in our society; be a model of Christian sportsmanship! Some may be discouraged when they don't do as well as they would have liked; be an encourager! Help every student do their best, yet feel secure in God's love and in their efforts to improve themselves in their talent, no matter what the result!

HOUSING GUIDELINES FOR FIELD **BLAST**

- 1) **In the overall event, the ratio of adult to participant must be at least 1:6.** Each district must plan on having enough adults to meet the ratio.
- 2) Each **BLAST** participant housed on campus must be paired with another participant of the same gender. Students will be paired up if not specified.
- 3) The dorm rooms will be housed with 2 people and the apartments with 6. Everyone is expected to bring their own bedding. As was noted earlier, once registration is turned in, the Housing Coordinator will inform the District Coordinator of where participants and adults will be staying.
- 4) The only substitutions that can be made after housing forms have been submitted are same gender exchanges. Each change must be made through the **BLAST** housing coordinator to assure the accurateness of an in-house roster of **BLAST** participants. The **BLAST** housing coordinator **MUST** be aware of ALL exchanges. All substitutions and exchanges must be completed prior to the event.

Keys to the outside door of the apartments/townhouses on campus will be available for check out. **If the key is lost there is a \$250 fee.** Keys are checked out at check in and need to be returned before leaving campus. Keys are not available to individual rooms or rooms within the dorms. The outside door of the dorm will be set on a timer and keycards given to adult leaders.

Questions about housing should be directed to:

Phil Starr, Field **BLAST** Housing Coordinator
Email: philstarr@msnazarene.org

FIELD *BLAST* EVENT VOLUNTEERS

Each district is required to send 2 adult event volunteers to serve on the Field *BLAST* event staff during the event. Volunteers must be at least 12 months beyond high school graduation.

Adult Volunteers should be registered on-line at blast.mvnu.edu.

These volunteers should **NOT** be included in your adult leaders count for the 1:6 adult/student ratio, and are to have no responsibility with your district youth.

They will be at the disposal of the field staff and may be housed separately.

The event will provide for their registration and housing. Travel and meals should be cared for by the district.

Please try to provide one person of each gender in your 2 volunteers.

Assigned tasks will include but not be limited to registration assistance, shirt distribution, sporting events patrol, assisting with various activities, and housing lock-down during services.

Please submit names and contact info for event volunteers to Johnny Mohnasky at john.mohnasky@mvnu.edu by May 20, 2023.
