

MVNU MUSIC & MINISTRY

2024-2025

MISSION & VISION

Mount Vernon Nazarene University exists to shape lives through educating the whole person and cultivating Christ-likeness for lifelong learning and service. As part of that mission and sacred calling, we believe engagement in ministry is crucial and formative for our students. The Music & Ministry team at MVNU, comprised of students eager to serve the Lord's people, is an integral part and poignant representation of our University's calling to shape the world for Christ's Kingdom. They do so by sharing God's Word through music and leading worship. We humbly serve the MVNU Field which includes Ohio, West Virginia, and Eastern Kentucky.

The Music & Ministry team has at its' heart devotion to Christ-like service, dedicated discipleship, and authentic worship. We pray that as we are blessed to worship alongside fellow believers, we are also a blessing to them. We count it great joy to lead the people of God to His throne at every opportunity and strive to do so in excellence and humility.

Our Music & Ministry team is humbled to serve churches and events across the East Central Field through worship.. We strive for excellence and authenticity in all we do. We do ask our churches to host our team in specific ways, abiding by a few important guidelines to ensure a wonderful event experience for all. Below is information that will help you plan a great hosting experience.

SET LIST

The team has a versatile set list and can accommodate the style that best fits your venue. A typical set list is 3-6 songs for a worship service, but they are equipped to fully lead the service. The team Road Manager will work closely with you to ensure the needs of your event are met.

HOST RESPONSIBILITIES

We ask that you provide housing and meals for the team while they are in your care. The team members need to be housed with at least one other member of the same gender. Due to campus policy, the team is not allowed to stay in the same sleeping quarters as other teenagers. If your church or 1-day event is less than an hour from MVNU, we may be able to work out same day arrival and departure of the team.

ARRIVAL/SET-UP

Arrival to venue is typically 2 hours before event for set up and sound check. We can work to be flexible on this with you to meet your needs
