# Mission Statement of the University

## **Mission Statement**

*Mount Vernon Nazarene University exists to shape lives through educating the whole person and cultivating Christlikeness for lifelong learning and service.*

## **Mission Context**

Mount Vernon Nazarene University, established by the Church of the Nazarene, opened its doors in 1968 and serves the denomination's East Central Region. The University offers liberal arts, professional, and graduate education at its main campus in Mount Vernon, Ohio as well as at multiple regional sites.

MVNU's educational philosophy and purpose are shaped by its Wesleyan-Arminian holiness theological roots, informed by the Bible, focused on Christ-likeness in every aspect of life, and defined by an emphasis on loving God with all of one's heart, mind, soul, and strength, as well as one's neighbor's as one's self. Students are nurtured and empowered through caring relationships with faculty, staff, and administrators; challenged to be a devoted disciple of Christ; drawn toward discovery of wisdom and truth in every discipline of study; prepared for leadership in various professions; equipped to be lifelong learners; and sent into the world to live out their faith by offering their hearts and lives in service to God and others.

The University is characterized by an engaging environment where diversity is celebrated and differences in ethnicity, denomination, gender, economic level, and stage of spiritual development are embraced. A spirit of worship unifies the academic, social, and spiritual life of the student body, and the community is shaped through shared commitments, values, and experiences that provide the context for transformation in Christ, individually and collectively. Excellence in vocational pursuits and in character development are viewed as an expression of faithful stewardship, and a lifestyle of compassion is demonstrated as the most effective witness to others of God's love. As students become graduates, the marks of Mount Vernon Nazarene University continue to identify them as devoted disciples, servant leaders, learning professionals, and loyal alumni.

## **Institutional Background**

Mount Vernon Nazarene College was founded in 1964 by the General Assembly of the Church of the Nazarene. The pioneer class arrived on campus on October 12, 1968, and the first associate degree was awarded in 1970. In 1972 the college received accreditation from the North Central Association of Colleges and Schools as an associate degree granting institution. Accreditation was extended in 1974 to include baccalaureate degree programs and the first baccalaureate degree was awarded in May 1976. On August 1, 2002, Mount Vernon Nazarene College officially became Mount Vernon Nazarene University. Mount Vernon Nazarene University is the official university of the East Central Educational Zone of the Church of the Nazarene.

## **Institutional Objectives**

The institutional objectives of Mount Vernon Nazarene University grow out of a philosophy of education that has its roots in a distinctively Christian understanding of life. Mount Vernon Nazarene University, therefore, strives for the education of the whole person--the enlightenment of the mind through the acquisition of factual knowledge and the moral and spiritual transformation of the individual through a personal encounter with God in Christ.

## **Certificate of Ministry Preparation**

Shortly after MVNU was founded, the Division of Religion and Philosophy began to offer a few courses to help men and women who were preparing for ministry through the Home Study program of the Church of the Nazarene. Later, under the direction of Dr. William Youngman, the Division of Religion and Philosophy developed a certificate program called Adult Studies for Christian Service to meet all the educational requirements for ordination of elders and deacons in the Church of the Nazarene. The program became part of the EXCELL division (later known as Adult and Graduate Studies and today known as Graduate and Professional Programs) of MVNU in 1999. In 2000 the program received validation and approval from the office of the Clergy Development and the International Course of Study Committee of the Church of the Nazarene as a program that fulfills the requirements for ordination as an elder in the Church of the Nazarene. In 2002 the name of the program was changed to Certificate of Ministry Preparation (CMP). In 2005 the CMP program adopted the Modular Course of Study curriculum of the Church of the Nazarene. In 2010 the CMP program began operating under the direct oversight of the School of Theology and Philosophy and designated course credits as one Ministry Education Unit (MEU) per course.

In addition to courses taught on the campus of MVNU, this program is now offered at various centers in the five Ohio Districts within the Church of the Nazarene.

### **Purpose of the Certificate of Ministry Program**

The opportunity for Christian service begins with the initial and continuing responsibility to serve efficiently and knowledgeably. This is true for the person who accepts part-time and volunteer responsibilities in the church, as well as the person who accepts a full-time position.

The primary purpose of the Certificate of Ministry Preparation program is to provide academic classroom experiences for those adults already in careers who want to increase their Christian ministry effectiveness, but are unable to enter into the regular college program. It is designed to assist both those who plan to enter full-time Christian service and those working in volunteer lay ministry. In addition to those seeking ordination, Sunday school teachers, youth workers, and church board members will find these courses helpful. The CMP program fulfills the elder ordination requirements in the Church of the Nazarene. Those who wish to be ordained as deacons need to complete additional courses required by the Church of the Nazarene.

## The CMP Student

### Enrolling in Classes

#### Eligibility to enroll in CMP courses

Anyone who has completed high school or the GED program may take the CMP courses for Ministry Education Unit (MEU) credit. There are no prerequisite educational requirements for a student to audit courses. The course registration form will serve as the application to enroll in courses. Those who are on the CMP mailing list will automatically receive the course registration form. Course registration forms and course schedules are also available on our website at [http://www.mvnu.edu/gps/continuing\\_education/cm\\_preparation.asp](http://www.mvnu.edu/gps/continuing_education/cm_preparation.asp) (*Graduate and Professional Studies, Certificate of Ministry*).

#### Course Registration

In order to be properly enrolled in CMP courses, students must send the course registration form to the School of Theology & Philosophy office **no later than two (2) weeks before the start date** of the course. The course registration form must be accompanied by the full payment of the tuition for the course. Only those who register in advance will receive the syllabus for the course prior to the course start date. Students registering for class later than two week before the course start date will not be permitted to enroll (for courses beginning on a Saturday, registering on the subsequent Monday will be sufficient).

#### Class Assignment and Sites

If a student is more than one hour away from a CMP video-conferencing site or would be the only participant calling in from that site, they may call in from home. However, if the CMP registrar assigns a CMP student to a particular site for a particular class, the student must attend that site. Failure to do so will result in immediate withdrawal from the class for which they are registered. If the student perceives this to be a great hindrance, they may appeal to the CMP coordinator.

#### Class Attendance

The student is expected to attend all class sessions. When absences are necessary there may be no more than three hours of class time missed per course. In the event that a student is absent more than the three hours of class, she/he must withdraw from the course unless missing time is made up by special permission of the instructor. The withdrawal process is initiated by the student.

#### Procedure for Withdrawal from a Course

When a student chooses to withdraw from a course, the student must contact the CMP Registrar via email ([CMP@mvnu.edu](mailto:CMP@mvnu.edu)) or phone (740-397-9000, ext. 3615) to initiate the completion of the Course Drop form. Neglecting to do so may result in a failing grade and loss of course fees.

#### Class Cancellation:

Any decision to cancel a CMP class session due to inclement weather (snow emergency, flooding, tornado, etc.) or other reason will be made by the CMP Coordinator.

All class cancellations will be communicated to the professors, site coordinators, and students, and will be sent out via email by the CMP Coordinator's Assistant.

All cancelled class sessions will be made up either by rescheduling the class session or by utilizing the MVNUonline (Moodle) learning management system. The assignments for the online make-up class session will be activated by MVNU faculty or staff, and may be accessed via the link provided for that week's assignments. The following additional policies will be in effect:

- Students must still submit all assignments that were due on the night of the canceled class session and upload them in the normal manner. Students should contact the instructor with any questions related to the submission of these assignments.
- Should it prove impossible to schedule an additional class session: Students will complete online assignments in order to be counted "present" for the canceled class session. Students who do not complete the assignments within one week's time will be marked as "absent" and assessed a penalty of 5% of the total points possible for the course.

### **Cancellation Due to an Inaccessible Site:**

Due to the video-conferenced nature of the CMP program, there may be times when only one site is inaccessible. If this is the case, please communicate with the CMP Coordinator's Assistant and Site Operation Assistant for your location. They will advise you on how best to proceed, and either issue a temporary video-conferencing license, establish a make-up assignment in conjunction with your professor, or advise that you and the professor schedule an additional/separate meeting time.

### **Textbooks and other Course Materials**

Students are responsible for purchasing their own textbooks.

*Since the CMP program follows the Modular Course of Study of the Church of the Nazarene, students will need to download the Student Handbook for courses they have enrolled from <http://www.usacanadaregion.org/modular-cos>. (Handbooks are not available for Bible Exegesis courses and Christian Worship).*

### **Classroom Decorum**

Students are expected to conduct themselves in a professional and decorous manner while in the classroom. Open discussions and debate of issues is highly encouraged. Remarks that are sexist, racist, or otherwise personally offensive to others are inappropriate and out of keeping with the values of MVNU. Such remarks may result in the student being dismissed by the instructor and marked absent from class.

Anyone coming to class seeming to be under the influence of drugs or alcohol or otherwise behaving in an inappropriate way may be dismissed from class by the instructor and regarded as absent. The Instructor will then file an incident report with the Coordinator of the CMP program and the School Dean. Behavior not in conformity with the values of MVNU may result in dismissal from the class and the University.

### **Requesting Transcripts**

Students needing copies of a personal transcript must contact the School of Theology & Philosophy Graduate and Professional Studies office (740-397-9000, ext. 3615).

### **CMP Graduation**

Students nearing graduation from CMP should request that an audit be performed on their behalf. Simply contact the CMP Registrar and request a CMP transcript. The CMP Registrar will then review all completed and transfer coursework and will send an electronic transcript to the student.

Students who have completed all of the requirements for the CMP will receive a CMP Certificate. This indicates that the student has completed *all* requirements of CMP and, by doing so, has finished the course of study for the Church of the Nazarene (aside from the internship, which must be completed under the guidance of the student's district).

Students, who are ready to graduate, must fill out the Intent to Graduate Form and return it to the CMP Registrar. This will automatically trigger an audit of the student's coursework to ensure that all program requirements have been met.

## **Financial Information**

### **Payment**

Payment in full, including the entire tuition amount and applicable fees, is due on the course start date.

### **Please note:**

If your bill is not paid in **full**:

- You will be charged 1% interest monthly until it is paid.
- Your grades and transcripts will be held until your bill is paid in full.
- You may not register for a new course until your previous balance is paid in full.

### **Tuition Refund Policy**

100% refunded for withdrawing before a course starts.

No refund for withdrawing after a course has begun.

### **Returned Checks**

A processing fee will be assessed on any returned (ISF) check.

## **Grading Policies and Procedures**

The following system of grading is used at MVNU (faculty may assign +/- to the letter grade system):

- A – Superior grade earned by work consistently exceeding high standards as judged by both internal and external criteria.
- B – Good grade signifies accomplishment which is above average in quantity and quality.
- C – Satisfactory grade characterizes the performance of most studies as judged by both internal and external standards.
- D – Below satisfactory performance; D does not meet the graduation requirements for the CMP program and the course must be repeated.
- F – Failed the course; the course must be repeated.

- X – Failure due to excessive absences (see attendance policies) or official withdrawal procedure was not completed within the time frame allotted for withdrawal from the course; no credit is earned.
- W – Withdrawal within the specified date, or after specified date with the permission of the School Dean.

A temporary “I” (incomplete) grade may be granted in special situations. An “I” is not computed: The “I” represents incomplete work necessitated by a case of serious illness or other emergency. This grade applies only to courses in which the student requested the instructor to petition the School Dean to extend a course deadline prior to the last date of the course. When such extensions are granted, specific course completion deadlines are communicated in writing to the student and the GPS Coordinator of Records and Registration. The “I” grade will be changed to the permanent “X” grade in cases where the student does not complete the required work by the extension deadline.

A grade of **D** or **F** does not meet the completion requirements for the CMP program, and the course must be repeated until a grade of **C** or higher is received. The grade of **D**, **F**, or **X** will be replaced with the grade that the student receives when the course is repeated; however, the original grade will still appear on the transcript.

### **Student Disenrollment**

CMP Students may be disenrolled from classes for several reasons. Some of these reasons include:

- Excessive absence and or inadequate preparation for the course (such as below average reading and writing skills expected of a High School graduate). Students who are asked to withdraw from a course due to their inadequate preparation will be eligible for full refund of the tuition.
- Outstanding Financial Balance.
- Department or Non-compliance with the Handbook.
- False or incomplete information on the application for admission
- Receiving a grade of ‘X’ and/or ‘F’ in two CMP courses.
- Failing to meet probationary guidelines.

Students will generally be disenrolled from the program for 6 months. However, the School of Theology and Philosophy reserves the right to determine the length of any disenrollment,

### **Probation**

A student who has been previously dismissed from the program may be accepted back into the CMP program as a probationary student. This acceptance is conditional, and is at the discretion of the CMP Coordinator. In order to continue in the program, the student must achieve a grade of C- or higher in their first three courses. If this is not done, the student will be dismissed from the program.

### **Appeals Process**

A student who wishes to appeal an academic policy decision (including one believed to be discriminatory based on race, national origin, color, sex, disability, or age), must abide by the procedures that follow. Legal counsel or representation is not permitted.

### **Informal Resolution**

1. When a student has a question about an academic policy decision, s/he must first contact the person who made the decision for an explanation of the policy and how it was followed. This contact must be made within 10 business days of the decision. If the policy has been followed, the student has no further recourse.
2. If the policy was not followed or the student disputes the way in which the policy was applied, s/he may request that the matter be reviewed by the CMP Coordinator. This request must be made within 10 business days of the aforementioned meeting. The coordinator will notify the student of his/her decision in writing (e-mail is sufficient) within 10 business days.

#### Formal Resolution (continuation of above)

1. If the student is not satisfied with the decision of the CMP Coordinator, s/he may request that the matter be reviewed by the STP School Dean. To accomplish this, the student must file the Appeal form (available on the Portal [portal.mvnu.edu](http://portal.mvnu.edu)) within 10 business days of the decision. The Dean reserves the right to question any individual and/or obtain additional information from any other source. If the student files the request outside the 10-day period, s/he forfeits any further right to appeal. The Dean's review is limited to whether the policy was applied properly. The Dean will either uphold the appeal or deny the appeal. The Dean will notify the student of the decision in writing within 10 business days of receipt of the appeal.
2. If the student is not satisfied with the decision of the School Dean, s/he may request that the matter be reviewed by the appropriate Vice President (VP). To accomplish this, the student must inform the Dean (in person or via e-mail) within 10 business days of the Dean's decision. If the student files the request outside this period, s/he forfeits any further right to appeal. The Dean will send the appeal file to the VP; thus, the student may not include additional information with the appeal to the VP. The VP's review is limited to whether the policy was applied properly. The VP will either uphold the appeal or deny the appeal. The VP will notify the student of the decision in writing within 10 business days. The decision is final and cannot be appealed.

## **CMP Instructors**

The CMP instructor is an adjunct of MVNU and approved by the following process: The District Site Coordinator will recommend persons who then send a resume and official copies of their master's and doctorate transcripts to the CMP Program Coordinator. When these are received in the CMP Program Coordinator's office they will be reviewed by the Department of Theology and Philosophy for approval. Confirmation is then communicated with the District Site Coordinator. The Department of Theology and Philosophy will determine which classes the instructor may teach for the CMP. In the event that it becomes necessary the Department of Theology and Philosophy reserves the right to withdraw or change the approval of any instructor.

### **Instructor Guide and Information**

The CMP Instructor will receive access to a Moodle site where they will be given information on how to record attendance, submit grades, and other applicable tools. This Moodle site will serve as the instructor's connection with MVNU and a source of necessary correspondence and updates.

### **Course Syllabi**

The CMP Coordinator will provide the instructor with the generic syllabus for each course. The instructor may make revisions of the assignments and due dates and return the revised syllabus to the CMP Coordinator for approval. This revised syllabus then will be distributed to the students by the School of Theology & Philosophy Graduate and Professional Studies office.

There are several sections to each syllabus.

1. The first section includes the course description and the course objectives. These have been set forth by the office of Clergy Development and cannot be changed by the instructor.
2. The second section lists the texts to be used for each course, in addition to the Modular Course of Study Student Guide and Faculty Guide. Teaching will be based on the content provided in the Modular Course of Study Faculty Guide. For courses that do not have a faculty guide, the instructor should prepare lectures and topics for discussion.
3. The third section is the course requirements and classroom schedule. While it is expected that the instructor will maintain requirements similar to the approved syllabus it is understood that the instructor has latitude in the arrangement of the class schedule and course assignments and method of evaluation.

However, access from off-campus locations will require authentication. An alphabetical listing of databases is found at "Databases A-Z" from the library's home page. After scrolling to the database to be searched, look for the "Off-campus Access" link located next to the database name (Some databases will have two links). If prompted, select "Mount Vernon Nazarene University" from the pull-down menu (some links will not ask for this). When the authentication screen appears, enter your name, university ID and PIN. After submitting, wait a few moments and the database screen will appear.

5. Use link #1 (#2 is available if for some reason #1 is not working)
6. Clicking off campus link #1 will take you to an authentication page and will ask you for your last name, University ID and the PIN you created.
7. When you complete the authentication screen and submit the data, wait a few moments and then the EBSCO page will appear.

“The Wesleyan–Holiness Digital Library is a free, multidisciplinary, open access, digital resource of books, literature, multimedia material, and archives collected into a single institutional repository initiated by the global Church of the Nazarene in response to the global need for access to resources for education, lifelong learning, and specifically ministerial preparation.”—from “About Us” link

The Wesleyan–Holiness Digital Library may be accessed from the library’s home page. No authentication is required. The WHDL guide likens searching to doing a “Google search.”

“The WHDL search is more like a web search than a database search. You don't need to define any variables, because the search will look for everything in the repository that meets your criteria, just like Google. Your search results will be presented in an order based on relevance.”

Search results can be filtered by applying categories located in the sidebars. Downloading/printing options are available.

#### **Online Patron Record**

Keep track of library books checked out and/or requested through OhioLINK by logging into your Patron Record and the library’s home page. Go to <http://library.mvnu.edu> and click the “Login” button in the upper right corner, complete the login form to access your record. Items will be listed with the status of “Requested,” “In Transit,” or “OhioLINK Rec'd.” This last status means that the item is ready to be picked up. You can also view a list of items you currently have checked out and their due dates.
