

## **POSITION ANNOUNCEMENT**

### **Electrical Engineering Faculty**

*Mount Vernon Nazarene University exists to shape lives through educating the whole person and cultivating Christ-likeness for lifelong learning and service.*

Mount Vernon Nazarene University (MVNU) is an intentionally Christian teaching university for traditional age students, graduate students, and working adults who seek opportunities to learn and grow in an academic community of faith. The University provides the context for a transformational experience through excellent academics, service opportunities, caring relationships, and a nurturing spiritual and social environment. Faculty, staff, and students are challenged to achieve their highest potential, to become increasingly Christ-like, and to make a difference in their world through lifelong service.

Mount Vernon Nazarene University is seeking a full-time (nine-month) **Electrical Engineering Faculty**, beginning in the Fall semester of 2023. Rank is open. Compensation is to be competitive among the Council for Christian Colleges and Universities. A full complement of benefits is provided, including a health care plan, retirement contributions and tuition assistance (self and dependents).

#### **Responsibilities and expectations for this position include:**

- Teaching a broad range of undergraduate engineering courses required for the Bachelor of Science degree in Engineering program. Teaching assignments are expected to be in courses related to general engineering with concentrations in electrical engineering. Teaching of other related courses may be required
- Advising of students majoring in Engineering and ensuring that their academic progress meets requirements set by the institution, working with students to encourage professional development, and working with upper level students on their senior capstone design projects
- Supporting departmental efforts for continued improvement of programs
- Serving the University through committee participation and other assigned tasks

#### **Qualifications for the successful candidate:**

- Evangelical Christian confession of faith and experience is required; member of the Church of the Nazarene is preferred
- A graduate degree in Electrical Engineering or a closely related field is required
- Candidates with PE certification and industry experience are particularly desirable
- Preference will be given to candidates with experience in embedded systems, microprocessors, and microcontrollers
- A strong commitment to excellence in undergraduate teaching in a liberal arts setting and a commitment to scholarship of continued professional development, and a demonstrable track record in successful teaching
- Excellent oral and written communication skills
- Proven ability to work well with others, especially to work alongside students and colleagues
- Ability to lift 25 lbs

In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, the university actively encourages applications from members of all ethnic groups underrepresented in higher education. Applications will be accepted until the position is filled; however, early

application is strongly advised. Interested candidates should send an application letter, curriculum vita, unofficial college transcripts, evidence of teaching competence, names and contact information for three references, a one- to two- page statement of educational philosophy, and a one- to twopage statement of faith. Applicants are encouraged to submit application materials via email as Microsoft Word, .pdf file attachments, or as hard copies to:

Academic Affairs  
Mount Vernon Nazarene University  
800 Martinsburg Road  
Mount Vernon, OH 43050
