Religious Expression

*Who We Are
and What We Believe*

- Being of Wesleyan heritage, and a ministry of the Church of the Nazarene, we strive to be a learning community where grace is foundational, truth is pursued, and holiness is a way of life. Furthermore, we attempt to make all policies and decisions within the doctrinal and moral convictions of the Church of the Nazarene as articulated within the Manual of the Church of the Nazarene (e.g., Articles of Faith, Covenant of Christian Conduct including the Statement on Human Sexuality and Marriage, Covenant of Christian Character, and the agreed upon Statement on Discrimination, 915). We also strive to provide a learning and living environment that promotes safety, transparency, personal integrity, civility, mutual respect and freedom from unlawful discrimination.
- This integration of faith and learning is recognized by the United States and Ohio Constitutions and many state and federal laws. Therefore, it is a recognized right of religious educational institutions such as MVNU to incorporate religious beliefs into all aspects of university life and maintain faith-based standards of behavior which all community members voluntarily agree to follow.
- MVNU seeks to recruit students of the Christian faith and to create an institutional environment conducive to their growth in Christ; however, we do not require that students be confessing Christians. We welcome and value students of every background and faith. As a Christian community, we expect that all of our students will respect the nature of our community, learn about our traditions and participate in our community practices. MVNU affirms that a Christian liberal arts education includes an understanding of and appreciation of the differences in faith, living, and practice.

MVNU is committed to fostering a climate free from discrimination and harassment, through clear and effective policies, a coordinated education and prevention program, and prompt and equitable procedures for resolution of reports of conduct prohibited under this policy. The University encourages all members of its community to participate in the process of creating a safe, welcoming and respectful environment on campus.

- **Title VI**, 42 U.S.C. § 2000d et seq., was enacted as part of the landmark Civil Rights Act of 1964. It **prohibits discrimination on the basis of race, color, and national origin** in programs and activities receiving federal financial assistance.
- **Title VII**, 42 U.S.C. § 2000e et seq., of the Civil Rights Act of 1964 helps protect individuals from discrimination in the workplace. It **prohibits employment discrimination based upon race, color, national origin, sex and religion**. Title VII also protects against harassment, which can be any physical or vocal conduct that creates an intimidating, hostile or offensive work environment. Conduct can be harassment if it interferes with a person's work performance.
- **Title IX**, 20 U.S.C. §1681 et seq., of the Title IX of the Education Amendments of 1972 protects people from **discrimination based on sex** in education programs or activities that receive federal financial assistance.
- **ADA** (The Americans with Disabilities Act of 1990), 42 U.S.C. §12101 and the **Rehabilitation Act of 1973, Section 504** is a civil rights law that **prohibits discrimination against people with disabilities** in programs that receive financial assistance

MANDATED REPORTER

All University employees, student employees, and affiliated individuals are **required** to disclose to the Civil Rights Office **any report of harassment or discrimination** of which they **are aware** to ensure the University is able to provide a prompt, thorough, and supportive response.

Confidential resources are exempt from this requirement.

Reports do not require that complainants take any specific course of action, or any action at all.

If YOU are a student leader or work at MVNU you are required to report an incident as soon as you know about it and as much as you know.

REPORT = SUPPORT

Amnesty for Personal Use of Alcohol or Other Drugs

The University seeks to remove barriers to reporting. MVNU will offer any student who reports or experiences Prohibited Conduct limited immunity from being charged for policy violations related to the personal ingestion of alcohol or other drugs, provided that any such violations did not and do not place the health and safety of any person at risk. However, we may pursue educational or therapeutic remedies for those individuals, rather than punishment. MVNU desires to encourage its community members to offer help to others in need.

Grievance Procedure

Purpose and Scope

- The University prohibits discrimination on the basis of disability. MVNU has adopted an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by federal regulations implementing Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990 (ADA).
- Issues that are grievable include, but are not limited to, a denial of a requested accommodation, the inadequacy of an accommodation, the inaccessibility of a program or activity due to disability, or discrimination or harassment based on disability.

Resolving Complaints under ADA/Section 504: *Student*

Grievance Procedure

- A formal grievance must be filed within 30 calendar days of the date upon which the grievant(s) become(s) aware of the alleged prohibited action(s).
- Upon receipt of a grievance, the CRD will send the respondent(s) a copy of the grievance and ask the respondent(s) to prepare a response within 14 calendar days
- CRD will conduct a prompt investigation & maintain the records
- CRD will issue a written decision within 30 days of receiving grievance

Terms: Preponderance of the Evidence

(Section II. Glossary & Definitions)

“A preponderance of the evidence means that the information or evidence provided is more likely than not to be true. When evaluating the information and evidence, the decision-maker(s) will first evaluate the quality. **The decision-maker(s) will consider all of the information and evidence** regardless of its origin. Any information or evidence the decision-maker(s) find to be of **high quality should be given more weight** than any information or evidence the decision maker(s) find to be of low quality. **Quality may or may not be identical with quantity**, and sheer quantity alone should not be the basis for a finding of responsibility. The testimony of a single party or witness or a single piece of information or evidence may be sufficient to establish a fact.”

Definition continued on next slide

Terms: Preponderance of the Evidence

(Section II. Glossary & Definitions)

“Decisions that require the use of an evidentiary standard (*determinations of responsibility, process appeals, challenges to Title IX dismissal, and findings of fact*) will be made after the decision maker(s) assess the quality of the information or evidence and unanimously determine that the decision is justified. That is, the decision-maker(s) should find that there is sufficient evidence that is **relevant, probable, and persuasive** to convince them that a particular assertion is more likely than not and that the evidence supporting such an assertion outweighs any evidence to the contrary.”

PREGNANCY ACCOMMODATIONS AND RELATED CONDITIONS FOR STUDENTS AND EMPLOYEES

MVNU, through the Office of Civil Rights, **supports pregnant students, faculty, and staff so they can achieve academic and work success** while pregnant, recovering from birth of a child, caring for a newborn, and nursing an infant. The applicable federal laws pertaining to pregnancy at MNVU are stated below:

- **Title IX**
- **Title VII**
- **ADA/Section 504)**
- **Pregnancy Discrimination Act** prohibits discrimination on the basis of pregnancy, childbirth, or related medical conditions.

Be a Good Neighbor

PREGNANCY ACCOMMODATIONS AND RELATED CONDITIONS FOR STUDENTS AND EMPLOYEES

TITLE IX ADJUSTMENTS

Adjustments are time-limited for the period of the documented “medical necessity” per Title IX. They refer to options during and after pregnancy that provide for equitable access and ability to fully participate in academic programs, activities, practicums/field placements, and athletics.

Adjustments extend to parenting and primary caretaker of infant, and may include conditions arising from pregnancy, complicating pregnancy or resultant from pregnancy that might not otherwise be considered a disability/condition.

ADA/504 ACCOMMODATIONS

Accommodations require the presence of a “qualified” disability and/or condition per ADA/504. Pregnancy, alone, is not a disability. Pregnancy may be considered a temporary disability in certain circumstances under Section 504, or it may be considered a disability when one or more impairments related to pregnancy are present OR when a condition arising from pregnancy becomes long-lasting (i.e.: postpartum depression or gestational diabetes that becomes Type II) under ADA.

What Is Discriminatory Harassment?

- **Discriminatory harassment can take many forms.** It may be, but is not limited to: words, signs, jokes, pranks, intimidation, physical contact, or violence. It also may include harassment that is sexual in nature or directed at the gender of another (as in sexual harassment).

Do NOT create a HOSTILE environment!

Harassment may also be constituted by **nonverbal acts** that would also be punishable as, for example, vandalism, physical assault, or destruction of property. Other examples of harassment include **epithets or "jokes"** referring to an individual's group-based attributes; placement of offensive **written or visual material** on another's work area; offensive messages sent through email; and undesired physical contact, physical violence, or threat of same.

INFORMAL RESOLUTION PROCESS

If you have filed a Formal Complaint about a community member, you may choose to proceed with an Informal Resolution Process. Both Complainant and Respondent must give voluntary, written consent. When the Informal Resolution Process is completed, the parties may not pursue Formal Resolution for the same matter.

Why would I choose to request an Informal Resolution?

The Informal Resolution Process provides a mechanism to resolve a Formal Complaint through the imposition of individual & community remedies designed to maintain or restore access to the educational, extracurricular, and employment activities at MVNU.

Will I have to interact directly with the Respondent?

No, MVNU will not compel a Complainant to engage in mediation, to confront the Respondent directly, or to participate in any particular form of Informal Resolution.

Can I switch to a Formal Resolution Process?

Yes, though any information collected in an Informal Resolution can be used in a Formal one.

When is an Informal Resolution Closed?

Once an Informal Resolution has been agreed upon by both parties and all requirements are completed the matter will generally be considered closed.

Investigator Role (Section XI.G.1.)

“The Civil Rights Director will designate two investigators to conduct an adequate, reliable and impartial investigation . . . MVNU may engage an external investigator as one or both of the two assigned investigators. In complex situations, the Civil Rights Director may engage additional trained investigators to assist in gathering the information that will be considered by the primary investigators. The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the University and not the parties.

The interviews will be recorded by the investigators.”

Investigator Role (Section XI.G.1.)

“The parties will have an equal opportunity to present witnesses, including expert witnesses, and to submit evidence. The investigators will also gather any available physical evidence, including documents, communications between the parties, and other electronic records as appropriate and available. The parties may submit questions to be asked of parties and witnesses. Investigators will review submitted questions and, in their discretion, may choose which questions are necessary and appropriate to the investigation and conduct any follow-up, as they deem relevant.”

Investigator Role - Review of Evidence (Section XI.G.2.)

“The evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint will be made available to the parties and their advisors, including the evidence upon which the College may not rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence. The parties will have 10 calendar days to review the evidence. The parties will be offered the opportunity to review the evidence and provide a written response that will be submitted to the investigators for the completion of the Investigation Report. Due to the privacy of all those involved, evidence shared in an electronic format will not be printable, downloadable or electronically shareable by the parties or their advisors. Exceptions may be made in compliance with Section 504 of the Rehabilitation Act of 1973.”

Investigator Role - Investigation Report (Section XI.G.3.)

“In cases where Sexual Harassment is being alleged, the investigators will consider whether the conduct alleged in the formal complaint and the Notice of Investigation would constitute “Title IX - Sexual Harassment.” The investigators will consider the evidence gathered from the complainant during the investigation, and make a recommendation to the Civil Rights Director regarding the appropriate resolution process. The Civil Rights Director will review the recommendation of the investigators and make the final determination as to whether the conduct alleged, if demonstrated by a preponderance of the evidence, would constitute “Title IX - Sexual Harassment.” This determination is made only considering the information provided by the complainant, regardless of other evidence available in the case.”

Investigator Role - Investigation Report (Section XI.G.3.)

This would be part of your review in an adjudication or appeal

- Overview of the complaint made and summary of the investigative methodology
- Summary of relevant information gathered, including:
 - timeline of incident being investigated;
 - complainant's account of events;
 - respondent's account of events;
 - witness accounts;
 - evidence gathered;

- Areas of agreement;
- Areas of disagreement;
- Assessment of whether or not the complaint meets one or more of the required elements of the definition of sexual harassment under Title IX, including rationale; and
- Appendix containing all the collected evidence.

FINAL TIX Assessment & Appeal (Section XI.G.4.)

“Parties have 3 business days after receipt of the investigative report to submit in writing an appeal of a determination regarding whether the conduct constitutes “Title IX - Sexual Harassment.” The appeal will be considered by an appropriately trained staff member designated by the Civil Rights Director . . . The appeal decision will be communicated in writing to the parties, their advisors, and the Title IX Coordinator. The decision will also indicate the path for complaint resolution: Hearing Resolution or Investigator Resolution.”

ANY
QUESTIONS

Read the Final Investigation Report

***Is there sufficient
information to support a
finding of responsibility?***

**Investigator Resolution
Process –
Non-Title IX – Sexual
Misconduct
(Section XI.G.5.)**

DETERMINATION

“The investigators will make a determination, by a preponderance of the evidence, whether there is sufficient information to support a finding of responsibility. The investigators’ finding, and the rationale for the finding, will be included in the final investigative report that will be shared with the parties by the Title IX Coordinator.”

Investigator Resolution Process

—

Non-Title IX – Sexual Misconduct (Section XI.G.5.)

DETERMINATION: EVALUATING THE EVIDENCE

“The investigators should first evaluate the quality of the evidence. The investigators should consider all of the evidence regardless of who provided it. Any evidence the investigators find to be of high quality should be given more weight than any evidence the investigators find to be of low quality. Quality may, or may not be identical with quantity, and sheer quantity alone should not be the basis for a finding of responsibility. The testimony of a single party or witness may be sufficient to establish a fact.”

Investigator Resolution Process – Non-Title IX – Sexual Misconduct (Section XI.G.5.)

DETERMINATION: CREDIBILITY ANALYSIS

“The investigators will evaluate all admissible, relevant evidence for weight or credibility. Credibility is not based solely on observing demeanor, but also considers detail, interest or bias, corroboration where it would reasonably be expected to exist, the circumstances of the disclosure, and the nature of the relationship.”

“The degree to which any inaccuracy, inconsistency, or implausibility in a narrative provided by a party or witness should affect a determination regarding responsibility is a matter to be decided by the investigators, after having the opportunity to ask questions of parties and witnesses, and to observe how parties and witnesses answer the questions posed by the other party. Corroborating evidence is not required.”

Investigator Resolution Process – Adjudication (Section XI.G.5.)

For reports against students or student groups, the Adjudicator is typically the Vice **President of Student Life.**

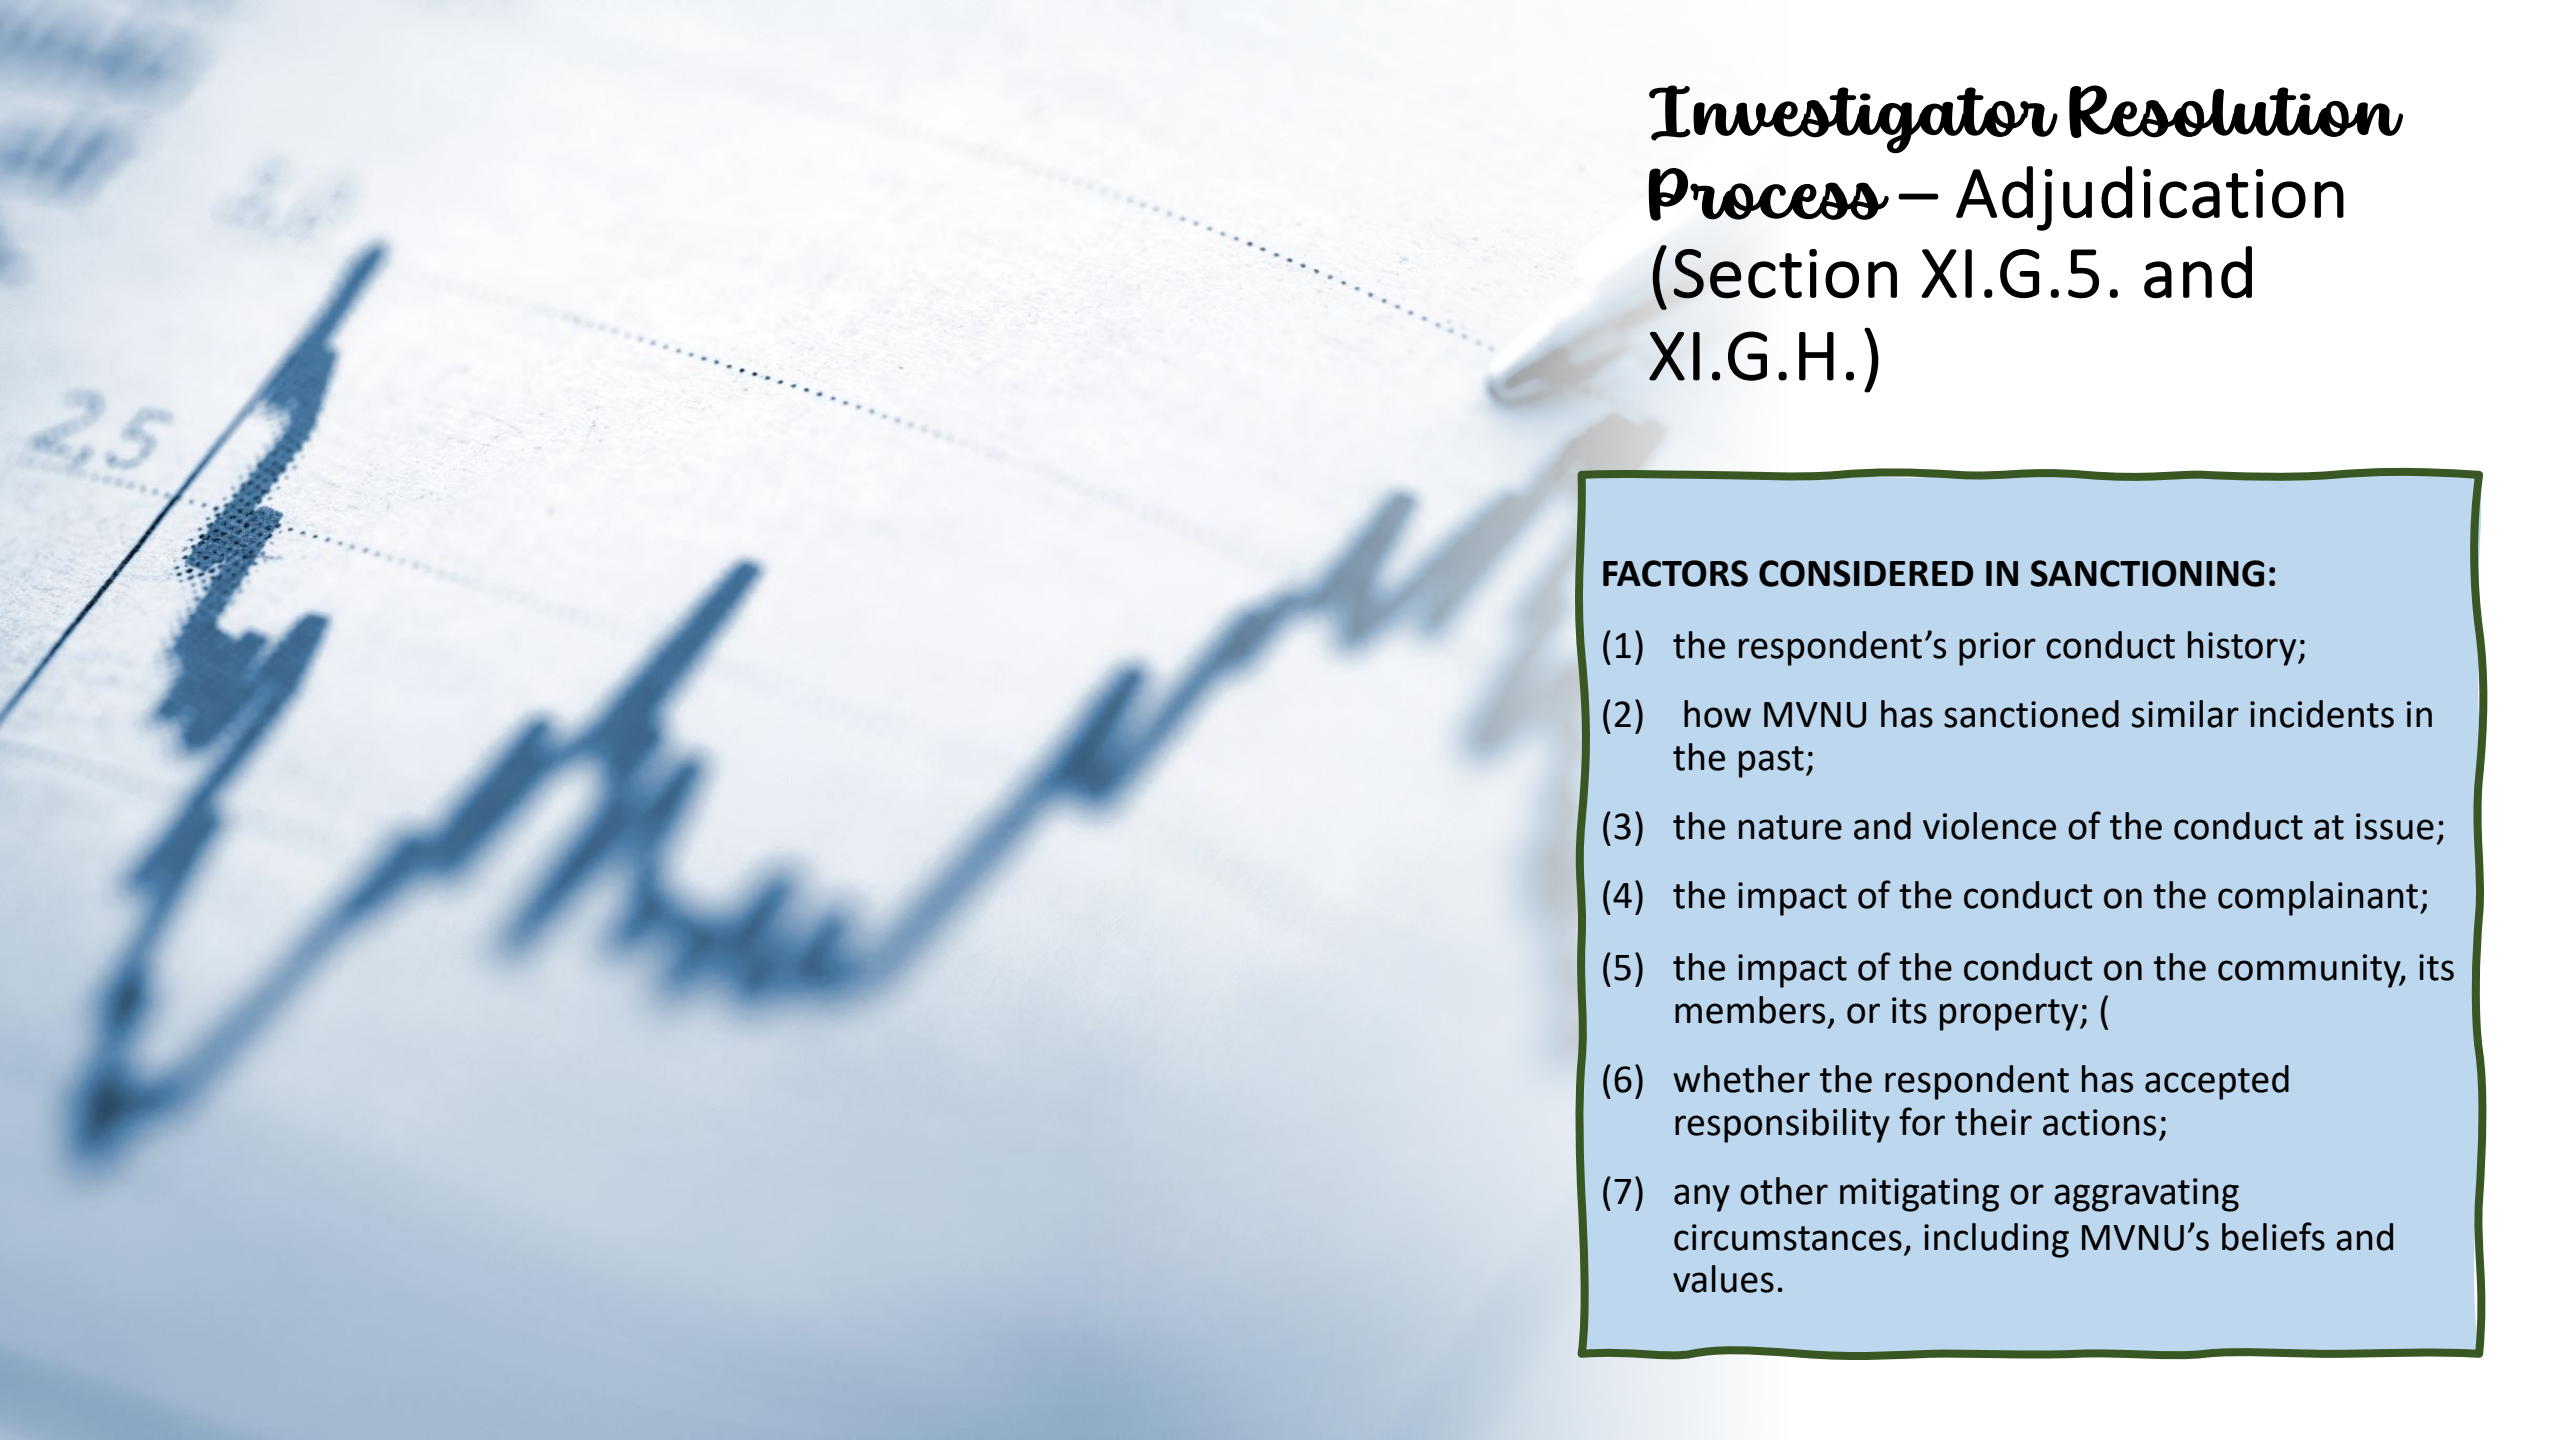

For reports against staff, the Adjudicator is typically the **Vice President of Finance and Administration.**

For reports against faculty, the Adjudicator is typically the **Vice President of Academic Affairs.**

The background of the slide features a blurred image of a document. On the left, there is a line graph with a vertical axis labeled '2.5' and a horizontal axis. A blue line is plotted on the graph, showing an upward trend. A pen is visible on the right side of the document, pointing towards the graph.

Investigator Resolution Process – Adjudication (Section XI.G.5. and XI.G.H.)

FACTORS CONSIDERED IN SANCTIONING:

- (1) the respondent's prior conduct history;
- (2) how MVNU has sanctioned similar incidents in the past;
- (3) the nature and violence of the conduct at issue;
- (4) the impact of the conduct on the complainant;
- (5) the impact of the conduct on the community, its members, or its property; (
- (6) whether the respondent has accepted responsibility for their actions;
- (7) any other mitigating or aggravating circumstances, including MVNU's beliefs and values.

*Hearing
Resolution -
Title IX*

Hearing Resolution Process – TIX (Section XI.G.6.)

“A Hearing Resolution will be used to resolve cases that include charges of Sexual Harassment - Title IX.

“A Hearing Resolution includes a pre-hearing conference, a live hearing, decisions about responsibility and sanctioning by the Hearing Chair, and an optional appeal process.”

Hearing Resolution Process – TIX (Section XI.G.6.)

HEARING CHAIR

The trained, impartial Hearing Chair will conduct the live hearing. This person facilitates the hearing, determines the order and flow of the hearing, makes decisions regarding relevance prior to a question being answered, makes the finding, and instances where the respondent is determined responsible, assigns the sanction/s.

Hearing Resolution Process – TIX (Section XI.G.6.)

PRE-HEARING CONFERENCE

- Each party will have their own pre-hearing conference.
- The CRD, the Hearing Chair, and the advisor must be in attendance.
- The advisors must share with the Hearing Chair their list of witnesses to appear at the hearing
- The Hearing Chair may, at their discretion, add names of other witnesses contained in the report for the purpose of appearing at the hearing and submitting to cross examination.

Hearing Resolution Process – TIX (Section XI.G.6.)

LIVE HEARING

“The Hearing Chair will provide an introduction detailing the purpose of the hearing, have those present identify themselves and their role, remind all parties of the expectation to be candid and honest in their response, and provide a brief overview of the procedure and the anticipated order of the hearing.”

Hearing Resolution Process – TIX (Section XI.G.6.)

CROSS EXAMINATION

“The advisors will be responsible for orally asking relevant questions, including those questions which challenge credibility, to the other party or parties and any witnesses directly, in real-time and in a manner that, in the Hearing Chair’s sole discretion, is not inappropriate, harassing, intimidating, irrelevant, or redundant.”

Hearing Resolution Process – TIX (Section XI.G.6.)

RELEVANCE

“Relevant questions are those tending to prove or disprove a fact at issue . . . Before a complainant, respondent, or witness answers a question by an advisor, the Hearing Chair will first determine whether the question is relevant and briefly explain any decision to exclude a question as not relevant, or request rephrasing of the question. The Hearing Chair is not required to give a lengthy or complicated explanation of a relevancy determination during the hearing. The Hearing Chair may later send to the parties any revisions to the explanation of relevance that was provided during the hearing.”

Hearing Resolution Process – TIX (Section XI.G.6.)

DECISION, FINDING, SANCTION

Decisions regarding responsibility will be made by the Hearing Chair and communicated to the parties and their advisors in writing within 15 business days from the conclusion of the live hearing. The Hearing Chair will also determine the sanctions. In determining the sanctions, the Hearing Chair will consult with the appropriate University staff member.
