

MOUNT  VERNON
NAZARENE UNIVERSITY

Dear _____,

I'm writing to you with a fantastic request that's sure to bring smiles all around. Picture this: Our wonderful alum, _____, is about to embark on a journey back in time, straight into the heart of nostalgia-ville, and we'd love your support in making this adventure a reality.

You see, _____ is not just any ordinary alum; they're a cherished member of the Mount Vernon Nazarene University family. They've got a big event coming up on November 10-12 — Homecoming!

Homecoming is like a big family reunion, complete with cheers, laughter, and maybe a few tears of joy. _____ can't wait to join in on the festivities, rekindle old friendships, and, of course, cheer on our basketball teams to victory! It's a celebration of everything that makes MVNU special.

We're hoping you will be kind enough to excuse _____ from their usual work/school/general activities on November 10-12, 2023, so they can fully immerse themselves in the experience. Trust us; the energy and enthusiasm they'll bring back to _____ after this mini-vacation will be absolutely infectious!

We appreciate your willingness to be part of this fun adventure! Please feel free to visit our website, mvnu.edu/homecoming, to check out all the great Homecoming activities available to alumni like _____.

Thank you for your support in making MVNU Homecoming 2023 one of the best ever!

Cheerfully,

Mike Cheek ('82)

Executive Director of Alumni Relations & Advancement
