School of Graduate and Professional Studies

MASTER OF BUSINESS ADMINISTRATION (MBA)

MINISTRY LEADERSHIP

As an MBA student, you will study the essential areas of business, learning the most advanced theories and skills required in today's hyper-competitive environment. The 36 credit hour curriculum includes nine (9) core courses covering the functional areas of business — accounting, economics, finance, management, and marketing — along with ethics, leadership, organizational behavior, legal issues, global business, and strategy.

The Ministry Leadership concentration prepare you for ministry leadership roles within a church and para-church organizations as well as overall personal and spiritual growth by providing a practical, biblical, and theological understanding of ministry.

COURSE DESCRIPTIONS

Ethical Leadership - MANG6113

An examination of current theories and practices of leadership, along with an exploration of the thesis that effective and ethical leadership lies in a commitment to universal moral principles, including justice, integrity, and compassion. Challenges to this thesis are also examined.

Managerial Economics - ECON6083

A study of the concepts of microeconomics and macroeconomics theory and policy including the concepts of demand and supply theory, resource and product markets, fiscal and monetary policy, and price theory and profit maximization.

Organizational Behavior - MANG6023

A systematic examination of psychological and sociological variables that are important in the comprehension of individual motivation, the managing of groups, interpersonal relationships, and organizational effectiveness, as well as creativity and leadership within the organization.

Marketing Management - MARK6003

An introduction to the theory and practical application of marketing principles. Special emphasis is given to developing a framework for analyzing strategic marketing situations by defining target markets and developing a marketing mix related to the market stakeholders of the organization.

Legal Issues in Management - MANG6123

A course designed to give students an understanding of the legal concepts, rights, obligations and liabilities faced in the business environment. This course focuses on the arena in which commercial transactions occur and the legal issues that arise with these transactions. It is the goal of this course to prompt students to proactively consider legal issues among the decision dimensions when making a business decision.

Global Business - MANG6093

An intensive course designed to give a thorough understanding of the important dimensions of conducting business internationally. Students will gain an appreciation of the complexities associated with international business including: the importance of cultural differences, choice of modes of entry, strategic marketing strategies, strategic human resource strategies, and important international business theories.

EXPERTLY
CRAFTED
COURSES

Managerial Accounting - ACCT6003

A comprehensive examination of managerial accounting on the use of accounting data in the management of an organization. What accounting data are interesting and how they might be used depend on what the manager is seeking to accomplish and what other information is available.

Corporate Finance - FINC6013

An advance study of risk management, capital budgeting, cost of capital, capital structure, the function and role of capital markets, and analysis of financial statements.

Strategic Management - MANG6043

A capstone study of how firms formulate, implement, and evaluate strategies. Students study strategic management concepts and techniques used to chart the future direction of different organizations. The major responsibility of the student is to make objective strategic decisions based on an integrated perspective of the program curriculum and to justify their decisions through oral and written communication.

Ethical Leadership/Ethical Issues in Ministry - MANG6113/PGRW6023

An examination of current theories and practices of leadership, along with an exploration of the thesis that effective and ethical leadership lies in a commitment to universal moral principles, including justice, integrity, and compassion. Challenges to this thesis are also examined. Specialized assignments will focus on moral leadership in the church in a pluralistic world.

Organizational Behavior/Building Ministry Teams - MANG6023/MINS6043

A systematic examination of psychological and sociological variables that are important in the comprehension of individual motivation, the managing of groups, interpersonal relationships, and organizational effectiveness, as well as creativity and leadership within the organization. Specialized assignments will explore the biblical foundations for understanding of ministry by all of God's people and for leadership in that ministry, with special emphasis given to the biblical basis for the use of teams in ministry and in giving leadership to that ministry, resulting in an understanding of the values of the teams in ministry and strategies for the development of such teams in the local setting.

CREATE
LIFELONG
CONNECTIONS

Marketing Management/Church Growth - MARK6003/LEDR6013

An introduction to the theory and practical application of marketing principles. Special emphasis is given to developing a framework for analyzing strategic marketing situations by defining target markets and developing a marketing mix related to the market stakeholders of the organization. Specialized assignments will focus on the practice, policy, and methods of church growth in local and worldwide settings, with special emphasis given to sociological, anthropological, and ethnic factors.

Strategic Management/Managing the Church - MANG6043/LEDR6033

A study of how organizations formulate, implement, and evaluate strategies. Students study strategic management concepts and techniques used to chart the future direction of different organizations. The major responsibility of the student is to make objective strategic decisions based on an integrated perspective of the program curriculum and to justify their decisions through oral and written communication. Specialized assignments will focus on a theological study of the principles of church finance, with special emphasis given to developing a sound financial base for ministry and management.

Change Management - MANG6033

A study of the role of the manager in the context of a changing environment. Special emphasis is given to current theories and strategies for leading an organization through transition. Students gain an understanding of management issues involved in implementing a major initiative, supervising staff and maintaining productivity despite resistance or personnel shifts, and sustaining commitment to new practices over time.

The Church in the 21st Century - MINS6033

A study of biblical, historical, and contemporary understandings of the Church to develop insights and competencies in the practice of ministry.

Pastor as a Person - PGRW6003

An inquiry into self-understanding, personal spiritual growth, and goal development for the practice of ministry.
