MASTER OF MINISTRY/MASTER OF BUSINESS ADMINISTRATION

MVNU's School of GPS is proud to offer a dual Master's degree program designed for individuals who have entered the ministry field and would like to continue their ministerial studies while also obtaining a quality, comprehensive education in business administration.

Through a rigorous and engaging curriculum, the MMin/MBA program seeks to meet the educational and professional needs of individuals from:

- + Clergy
- + Parachurch ministries
- + 501c3 nonprofits
- + Other ministry-minded business roles

“Ministry includes aspects that require business knowledge. Christian businesspersons may find themselves in Christian non-profit/for-profit organizations or find that coworkers in a secular context are looking for spiritual guidance. In both arenas making ethical decisions and providing Christ-like leadership is critical. The Master of Ministry-MBA dual degree is a wonderful program that blends ministry leadership training for business-minded students and business-knowledge for leaders in the church. Of course, earning two master’s degrees while saving time and money makes good business sense!”

DR. MICHAEL VANZANT, MINISTRY PROGRAM COORDINATOR

With Dr. Aaron Burgess, Business Program Coordinator

FINANCIAL INFORMATION

The MMin/MBA program has been designed with both affordability and student convenience in mind. Payment is made on a course-by-course basis and our financial aid advisors will work with you on a variety of financial aid options, including employer tuition reimbursement. Course-by-course payment is due no later than the first night of each course. A \$5,000 Master of Ministry student scholarship is available to help reduce the cost. It is awarded in \$500 per class increments and is applied to Master of Ministry core courses as well as the cross-listed courses. Discuss with your Enrollment Counselor for more information.

Although financing your college education can seem overwhelming, you may be able to reduce your cost if you are proactive and fully explore your financial aid opportunities. You can pay for your degree in many different ways, so taking the time to apply for financial assistance from as many sources as possible is worth the effort.

In addition to completing your online application for admission, you should also complete the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov. MVNU's school code is 007085. Filling out the FAFSA is an important step in the financial aid process and is required for any financial aid to be awarded. Finally, please be reminded that applications that contain incorrect information will delay the approval process, so accuracy is extremely important!
