FIND MEANING

Students who go to MVNU want more out of their college experience than just a job after graduation. They want to use this time to find belonging, to figure out who they are meant to be, and how they want to impact the world. We prepare them to make a difference in the world. We call this finding meaning.

EXPERIENCE MOMENTUM

**“THE PLACE GOD CALLS YOU TO
IS THE PLACE WHERE YOUR
DEEP GLADNESS AND THE
WORLD’S DEEP HUNGER
MEET.”** — FREDERICK BUECHNER

We take a unique approach to the college experience. Our general education curriculum includes courses that emphasize skill acquisition, encourage understanding and knowledge, and invite engagement with the goal of producing graduates who are well-rounded, purposeful individuals committed to scholarship, character, and service. Part of this process involves helping students discover their callings. Our students leverage the knowledge and experiences gained from their education to build momentum, both in the present and for the future.

GROW IN YOUR FAITH

Students from any denomination or faith background are welcome at MVNU, but everything we do is rooted in our perspective as part of the Church of the Nazarene, following in the footsteps of Jesus and serving others. Spiritual formation is at the heart of our mission, and our Christian worldview is integrated into all aspects of the MVNU experience. All freshmen are involved in Belong Groups — small groups designed for first-year students to build relationships as soon as they arrive.

TO SEEK TO LEARN IS TO SEEK TO SERVE

Our Fairbanks Center for Global Engagement ensures that global perspectives are woven into the fabric of MVNU. Our students experience new cultures, ideas, and people different from their own. Study abroad, on-location courses, and service learning programs through the FCGE are rooted in serving others.
