The Founders Society recognizes those who consistently support the University through annual giving. Every gift counts, no matter the size. Consecutive years of giving play an important role in our financial health and make a powerful statement about your belief in the MVNU experience. Partnership levels in the Founders Society are named for University presidents serving in the time period of MVNU history reflected in the number of years of consecutive giving.

KNIGHT Partner – Dr. John A. Knight, President from 1972-75
