

## MS-SLP Strategic Plan

---

**MVNU Mission:** MVNU exists to shape lives through educating the whole person and cultivating Christ-likeness for lifelong learning and service.

**MVNU Vision:** To change the world with the love of Christ.

**MS-SLP Mission Statement:** The mission of the MS-SLP program is to provide Christ-centered learning opportunities for MVNU students through commitment to academic excellence, mentorship in knowledge and skill development while implementing evidence-based practice to serve a variety of clinical populations across the lifespan.

**MS-SLP Vision Statement:** The vision of the MS-SLP program is to effectively train clinicians to best serve their clients with Christ-like compassion.

**Program Description:** MVNU's Master of Science (MS) in Speech-Language Pathology (SLP) program strives to ensure that you are well-prepared to practice efficiently and effectively as a speech-language pathologist. In this fully online program, you will acquire the skills necessary to diagnose and treat a wide range of communication and swallowing disorders. When you graduate, you will have the tools needed to be a successful speech-language pathologist.
