

WENDY'S ENDOWED SCHOLARSHIP

The Wendy's Endowed Scholarship was established on September 16, 2021, by Joe Curran.

Joe, a life-time native of Mount Vernon, Ohio, owns Wendy's stores in Mount Vernon, Marion, Delaware, Mt. Gilead, and Sunbury.

Joe's initial connection to MVNU was as an athletic program sponsor. The more he was engaged with the university and the students, the more he felt compelled to find additional ways to directly assist students in pursuit of their academic goals and career objectives. The establishment of the Wendy's Endowed Scholarship illustrates the Curran family's dedication to assist students by providing funding to help cover the cost of their education and opportunities to pursue life goals.

The Wendy's Endowed Scholarship offers support to student-athletes studying Accounting, Finance, or Management. Because of Joe's profound thankfulness for the Wendy's Corporation, he wanted to not only provide financial assistance to students, but also give them an opportunity to see a business operation from the inside-out, even using his business as a case study to enhance their learning experience.

Joe's hope is this endowment will help a student "today," but also plant a seed so that students who benefit from the endowment, will help others in their "future."
